### **Work Related Learning Activity**

Start Date: 23<sup>rd</sup> Feb 2025

End Date (if known): Unknown

Your role at the placement (position): Frontend Developer Intern

As a Junior Frontend Developer intern, my main job is to create and improve web pages using HTML, CSS, and JavaScript. I will focus on making websites look good, working smoothly on different screen sizes, and load quickly. My tasks will also include fixing bugs and making sure the website is easy for everyone to use.

**Proposed learning outcomes from the Work-Related Learning Activity:**

It is very important that you read the learning agreement guide before filling in this form. You need to list **at least 7 learning** outcomes, and at least **two** learning activities should be closely relevant to the course you are doing at the university.

<b>Learning Outcome ID</b>	<b>Learning outcomes</b> By the end of my work placement, I will be able to develop what skills or knowledge: (e. g. develop my XXX skills, enhance my knowledge of XXX)	<b>Activities and tasks</b> I will achieve this learning outcome by carrying out what tasks (e. g. participating in a Web development project, or to work in a team, or to engage in group discussion)	<b>Evidence</b> Evidence I could use to demonstrate that I have achieved this learning outcome?
